

LSVT LOUD[®]

Training and Certification Course

Offered for Speech-Language Pathology Professionals and Students

New York, NY

**New York University
Kimball Hall - First Floor Lounge
246 Greene Street
New York, NY 10012**

Friday, January 24, 2020

9 AM – 5 PM

Saturday, January 25, 2020

8 AM – 3 PM

The LSVT LOUD Training and Certification Course is a two-day program designed to train speech-language pathologists in a voice/speech treatment technique for adults and children with motor speech disorders, with a specialty in Parkinson's disease.

What Will I Learn?

The key treatment concepts, efficacy data supporting treatment outcomes (including neural imaging data), details of treatment exercises and functional tasks, hands-on practice, and practical considerations are taught. Application of LSVT LOUD to pediatric and adult motor speech disorders (e.g., multiple sclerosis, cerebral palsy, and stroke) will be discussed. This training is offered for 1.2 ASHA CEUs.

What Comes with LSVT LOUD Training and Certification?

- Two-day Live LSVT LOUD Training and Certification course
- LSVT LOUD Certification upon completion of course and passing exam
- LSVT LOUD Homework Helper DVD
- LSVT LOUD Resources in Clinician Account (downloadable assessment and treatment resources, repository of hierarchy materials, marketing materials, educational presentation with videos)
- Listing on the LSVT Global Certified Clinician Database for referrals
- Access to the private LSVT LOUD Clinician Facebook group
- **Free** monthly live webinars on advanced LSVT LOUD topics, recorded for unlimited On-Demand viewing
- Ongoing support from LSVT LOUD experts for clinical questions
- Access to the Online LSVT LOUD Training and Certification course to review content at any time, upon request
- Bundle packages include the LSVT Companion[®] System at a discount

LSVT Global is approved by the Continuing Education Board of the American Speech-Language Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level, and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products, or clinical procedures

This course is offered for 1.2 ASHA CEUs (Advanced level; Professional area)

Please note:

- Student rates are only available for those actively enrolled in a Master's or Doctoral degree program, or Clinical Fellowship. International student requirements may vary, contact info@lsvtglobal.com.
- Group discounts are available for 5+ participants registering together, contact info@lsvtglobal.com.

Boost Your Investment by Including the LSVT Companion

Bundle and Save 10%!

What is the LSVT Companion?

- Software System with calibrated microphone
- Automates data collection and provides real time feedback

How can the LSVT Companion help me?

- Save time and increase efficiency - Productivity's best friend!
- Use it with all your voice clients, not just those with Parkinson's

"I feel like the LSVT Companion does all the work so I can spend my time paying attention to my clients."

Watch a video of the LSVT Companion in action [here](#).

*LSVT Companion runs exclusively on Windows Based Platforms

Registration Deadline: January 15, 2020

Course Location:

New York University
Kimball Hall - First Floor Lounge
246 Greene Street
New York, NY 10012

How Do I Become LSVT LOUD Certified?

1. Register for a two-day LSVT LOUD Training and Certification Course.
2. Complete optional, recommended pre-course readings. The link to these will be included in your confirmation email.
3. Read and accept the LSVT Clinician Practice Agreement, sent via email link upon registration.
4. Read and accept the Attendance and Cancellation policies.
5. Attend the entire two-day LSVT LOUD Training & Certification Course.
6. **Complete Certification Exam with an 85% score required to pass.**
The exam will be administered during the two-day training course. If a participant does not pass the examination, there will be an opportunity for participants to re-take the exam online, at no additional cost.

Learning Outcomes

- Outline the rationale for the treatment of voice in motor speech disorders
- Identify aspects of Parkinson's disease and other neural conditions, and the impact they have on voice and speech
- Explain the rationale for using LSVT LOUD for Parkinson's disease and other adult or pediatric neurological conditions/disorders
- Describe key paradigm shifts in LSVT LOUD rationale and methods
- Discuss key elements of LSVT LOUD that are consistent with theories of motor learning and principles of neural plasticity
- Identify characteristics of adults and children who would most likely benefit from LSVT LOUD
- Explain and demonstrate all aspects of LSVT LOUD, including daily exercises, speech hierarchy exercises, and calibration
- Define recommendations for patients' long-term carryover of LSVT LOUD
- Explain the benefits of LSVT LOUD to physicians and other healthcare professionals
- Discuss strategies for insurance coverage for LSVT LOUD
- Outline the process for documenting LSVT LOUD treatment outcomes

Course Schedule

*Participation at the entire course is MANDATORY.
Plan your travel arrangements accordingly.*

DAY 1

- 8:15 am – 9:00 am
 - Registration
 - Pre-Course EXAM
- 9:00 am – 10:45 am
 - Introduction to the study and treatment of voice in neurological disorders
 - Overview of Parkinson's disease
- 10:45 am – 11:00 am
 - BREAK
- 11:00 am – 11:45 am
 - Demonstration of LSVT LOUD treatment
- 11:45 am – 12:30 pm
 - Rationale for the development of LSVT
 - Recent LSVT research outcomes
- 12:30 pm – 1:30 pm
 - Lunch (on your own)
- 1:30 pm – 3:15 pm
 - LSVT LOUD methods: Daily exercises
 - Hands-on practice of LSVT LOUD exercises with other course participants
- 3:15 pm – 3:30 pm
 - BREAK
- 3:30 pm – 5:00 pm
 - LSVT LOUD METHODS:
 - o Hierarchy exercises
 - o Quantification during treatment sessions

DAY 2

- 8:00 am – 9:45 am
 - Summary of daily exercises and hierarchy
 - Teaching techniques
 - Calibration
 - Follow-up recommendations
- 9:45 am – 10:00 am
 - BREAK
- 10:00 am – 11:30 am
 - Prognostic variables and selection criteria
 - Assessment measures for Parkinson's disease
 - Documentation and reimbursement
 - Application of LSVT LOUD to adults and children with other neurological disorders
- 11:30 am – 12:00 pm
 - EXAM – 85% pass required for certification.
- 12:00 pm – 12:45 pm
 - LUNCH (on your own)
- 12:45 pm – 1:00 pm
 - Prepare for interactive voice exercise session
- 1:00 pm – 2:15 pm
 - Hands on interactive voice exercise session with volunteers with Parkinson's disease and/or other course participants
- 2:15 pm – 3:00 pm
 - Exercise session Q&A
 - Launching, growing, and leading with LSVT LOUD in your practice
 - LSVT LOUD course conclusions

No photography, audio, or video recording allowed during the course

LSVT LOUD Course Faculty

The LSVT LOUD Course faculty collectively have over 124 years of experience as speech-language pathologists, having treated over 600 people with PD or other neural disorders using LSVT LOUD, and trained over 25,000 speech clinicians in 70 countries!

Lorraine Ramig Ph.D., CCC-SLP

Dr. Ramig is an internationally recognized clinical scientist with an established research record in the areas of aged and neurological voice disorders. Her research has been funded by the National Institutes of Health for over twenty years. Having published over 100 research articles, she has received the highest professional Honors of the American Speech Language Hearing Association. Dr. Ramig and her colleagues pioneered LSVT LOUD an evidence-based behavioral treatment for Parkinson disease and other neurological disorders and have trained over 20,000 speech clinicians in 70 countries in LSVT LOUD. Dr. Ramig is Chief Scientific Officer and Co-Founder of LSVT Global.

Cynthia Fox Ph.D., CCC-SLP

Dr. Fox is an expert on rehabilitation and neuroplasticity and the role of exercise in the improvement of function consequent to neural injury and disease. She is a world leader in LSVT LOUD and conducted related efficacy research in Parkinson's disease and other disorders. She was the first to apply LSVT LOUD to disorders other than Parkinson's and pioneered the application to pediatric populations, including children with cerebral palsy. Dr. Fox worked on the development of LSVT BIG. She is faculty for LSVT LOUD and LSVT BIG Training and Certification courses. Dr. Fox is CEO and Co-Founder of LSVT Global.

Angela Halpern, MS CCC-SLP

Ms. Halpern is an expert in voice/speech disorders and treatment efficacy research for people with PD. She is the Chief Clinical Officer for LSVT LOUD and LSVT LOUD faculty. She has been integral in the creation of LSVT LOUD webinars and courses. She is a research associate at the NCVS-Denver. She has authored and co-authored articles related to treatment efficacy research for people with PD, as well as given presentations at numerous national and international conferences.

Heather Hodges M.A., CCC-SLP

Ms. Hodges received her master's degree in Speech, Language, and Hearing Sciences from the University of Colorado. She has been part of Dr. Ramig's research team since 2004. She is a consultant, expert clinician, and training and certification faculty with LSVT Global. In addition to studying neurogenic voice and speech disorders and being LSVT LOUD certified since 2006, Ms. Hodges also worked for 13 years at an outpatient hospital specializing in diagnosing and treating dysphagia, dysphonia, and upper airway disorders.

Jessica Galgano Ph.D., CCC-SLP

Dr. Galgano received her PhD from Columbia University. She was certified in LSVT LOUD in 1999 and has worked with LSVT Global since 2010. Dr. Galgano holds a faculty position at NYU Langone School of Medicine and has taught in the areas of Voice Disorders, Adult Language Disorders, and Motor Speech Disorders at Columbia University, NYU, and SFSU. She has presented research at national and international conferences, has received funding from the National Institutes of Health, and has published in the areas of the neural underpinnings of voice production using fMRI and EEG, neuroplasticity following thyroplasty, and professional voice use.

Elizabeth Peterson M.A., CCC-SLP

Ms. Peterson received her master's degree in Speech, Language and Hearing Sciences from the University of Colorado-Boulder where she was part of Dr. Ramig's research team. Ms. Peterson primarily delivers LSVT LOUD in the research setting and worked as a research associate at the National Center for Voice and Speech-Denver and the University of Texas Health Science Center, San Antonio. Ms. Peterson has been involved in research investigating the short and long-term impact of LSVT LOUD on neural underpinnings of speech in Parkinson disease. She has been LSVT LOUD Certified since 2012.

LSVT LOUD Faculty Disclosure

All of the LSVT Global faculty has both financial and non-financial relationships with LSVT Global. Non-financial relationships include a preference for the LSVT LOUD as a treatment technique and equipment, which will be discussed as a part of this course.

- Drs. Ramig and Fox are employees of, receive lecture honorarium and travel reimbursement from, and have ownership interest in LSVT Global, Inc.
- Ms. Halpern and Ms. Peterson are employees of, receive lecture honorarium and travel reimbursement from LSVT Global, Inc.
- Dr. Galgano and Ms. Hodges receive consulting fees, lecture honorarium, and travel reimbursement from LSVT Global, Inc.

LSVT LOUD Trademarks and Certification

The LSVT® trademark and other logos appearing within the LSVT Global website and on its literature are registered and unregistered trademarks of LSVT Global, Inc. Only individuals directly certified by LSVT Global, Inc. and who have attended an LSVT Training and Certification Course with specific training in the LSVT modalities of treatment for individuals with speech or movement disorders related to Parkinson's disease and other neurological disorders or conditions are entitled to use the LSVT trademarks. An individual who has attended a Course and has received a certificate of LSVT training will be able to use the LSVT trademark to refer to themselves as an "LSVT trained clinician", so long as they retain active clinician status. Any non-sanctioned use is strictly prohibited.

LSVT LOUD Certified Clinicians will be able to:

- Use the LSVT trademark to indicate they are an LSVT trained and certified clinician
- Use the efficacy data of LSVT LOUD to market and support reimbursement of the LSVT LOUD program
- Enroll in the database of LSVT trained clinicians for patient and physician referrals
- Attend future LSVT LOUD Training and Certification Courses for reduced fees

LSVT Certification Renewal

LSVT Certification requires renewal every two years to maintain active clinician status.

The process of the LSVT Certification renewal involves the following steps:

- Complete the Online LSVT renewal course (1-2 hours) for a fee of \$50
- Provide updated contact information for patient referrals

Note: Reattending a live or online LSVT Training and Certification Course is another option for renewal for clinicians seeking a more in-depth update (\$200 for entire course, renewal fee included)

LSVT LOUD® Registration Form: New York, NY

Friday, January 24, 2020 - Saturday, January 25, 2020

Registration Fees

Professional Pricing (For SLPs and SLPAs)

- \$959 LSVT LOUD Professional Bundle Rate (10% savings)**
Includes the two-day course and LSVT Companion® System
- \$580 LSVT LOUD Professional Rate**
Includes the two-day course

Student Pricing (For those actively enrolled in a SLP Master or Doctoral degree program or Clinical Fellowship)

Please note: student registrations may be limited

- \$707 LSVT LOUD Student Bundle Rate (10% savings)**
Includes the two-day course and LSVT Companion® System
- \$300 LSVT LOUD Student Rate**
Includes the two-day course

Previously Certified Clinician Pricing

- \$617 LSVT LOUD Previously Certified Bundle Rate (10% savings)**
Includes the two-day course and LSVT Companion® System
- \$200 LSVT LOUD Previously Certified Rate**
Includes the two-day course

Group Discounts

Available for 5 or more participants when registration brochures are submitted together. Group registrations can only be processed manually and **NOT** through online registration. Email info@lsvtglobal.com for more information and to register.

Policies and Fees

Participant Attendance Policy: Individual participation at the entire course is **MANDATORY** whether taken online or in-person. Certification and CEU credit will not be awarded unless all portions of the training are fully completed and participants will not be eligible for a refund of any costs incurred.

Participant Cancellation Policy: In the event that a participant cancels registration or does not attend, tuition will be refunded minus the following cancellation fees:

- **\$50.00** cancellation fee any time after registration and up to 2 weeks prior to course date, or transfer fee to change to a different/online course.
- **\$100.00** cancellation fee within 2 weeks prior to course date.

LSVT Global Cancellation Policy: LSVT Global reserves the right to cancel an in-person LSVT LOUD Training and Certification Course in the rare case of inadequate attendance or for other reasons, but will inform all registered participants via email, mail, or phone in as soon as the cancellation is confirmed.

- LSVT Global will refund any registered participants their full registration fee or offer them alternative course locations if available or transfer to the online course.
